SUPPORT FELLOW BOOKLOVERS: SPONSOR A BOOK CLUB KIT!

Did you know that book clubs in Franklin County can borrow free book club kits from the Franklin County Public Library? This means clubs can focus on reading rather than spending time or money to obtain books. Each kit comes in a tote bag that contains 10 paperback copies of a single title, the author’s biography and discussion questions. FCPL cardholders in good standing may reserve a kit, pick it up at the Main or Westlake branch and borrow it for up to six weeks.

With a donation of $150, your book club can sponsor a book kit to add to our collection. Your gift combined with our book buying discounts will pay for all the components to make a new kit. You may suggest fiction or non-fiction titles for your kit, which we’ll accommodate whenever possible. We’ll embroider the name of your book club on the outside of the kit bag and your club will have first priority in checking out the kit. To sponsor a kit, please complete the form on the other side. Thank you for sharing your love of reading!
